Band Members**

**Buy or Rent  
from Local  
Music**

# General Beadle Gymnasium

## Tuesday, September 1, 2015

### 6:00 - 7:00 pm

**WARNING:** By playing a band instrument, individuals often develop more efficient thinking abilities; often leading to better grades, more respect from teachers and colleges, GREAT friends, and more responsibilities from your parents. As your abilities progress, others will be inclined to host “football” and “basketball” games in order to enjoy your newly acquired skills, so they may dance and have a good time around you and your music.
